### Routine Review

Legality and Deduction sheets **will be emailed to clubs for review** as soon as they are available. Coaches will have 10 minutes to review and challenge legalities or deductions if necessary.

Only the legality and deduction sheet may be examined. Coaches cannot request a review without completing / submitting the Request for Review form .

You can also view the video of your team's performance at the score check area. Note that Zero Deduction pins will also be available for teams at the score check area.

### Reasons to Challenge

1. Deductions
2. Legalities

If the coach wants to challenge deductions or legalities, you must complete the online challenge request form prior to approaching the score check desk.

- Coaches, a maximum two per team, will be called by the reviewing judge to discuss the review request and will have a maximum of four minutes to do so.

**Reminder:** coaches and judges must *remain calm and respectful at all times*. The official may grant a deduction for unsportsmanlike conduct to the team in question or the team may be disqualified.

At the end of four minutes, the reviewing judge will make the final decision on the review. If the revision results in a change in score, the new score sheets will be printed and given to the coaches.

Coaches CANNOT request a review of a competing team or a team that is not theirs.

The IASF rules and Cheer Canada scoring system will be available at the Review table for you to consult, and a TV with a video review. Coaches cannot monopolize this video system.
